### Applying 2 Timothy to Life

- Make a mental list of the things in life you're pushing and sweating for? How many of them will have any value on the day when the Lord evaluates your work? (1 Cor. 3:10-15; 2 Cor. 5:9-10)
- If you have been saved by the gospel of Jesus, how can you share the blessings of the gospel with those around you? (1 Cor. 9:23)
- Read Heb. 12:1-2. As we run the race, what things can slow you down and trip you up? Where should your eyes be focused?
