Applying the Bible to Life

- Do you agree that there's a "loneliness crisis" in our culture? Do you see evidence of that in your community or in your life?
- Can social media be a help or hindrance to developing and maintaining genuine friendships?
- God only does what is good and best for His people. God offers His followers His friendship. How can that friendship be a help and blessing to you on a daily basis?
- What can you do to enjoy God's friendship more?
