

FIRE & FAITH

How God Uses Fire

God Uses Fires to Get Your Attention

A story from the life of Moses (Ex. 3:1-7)

What do you do when God gets your attention?

(Heb. 12:10; Ps. 119:67)

God Uses Fires to Highlight Your Values

What you value reveals where your heart is (Mt. 6:19-21)

What's most valuable is faith-based hope in Christ

(1 Pt. 1:3-7)

Living in Light of Future Fire

Your works will be tested by fire (1 Cor. 3:12-15)

This world will be burned up by fire (2 Pt. 3:7-13)

Applying the Bible to Life

- Has God ever used a crisis to get your attention? What did you learn from God during that time?
- Moses “turned aside” (Ex. 3:4) to investigate the burning bush. The next time God gets your attention through a crisis, how can you “turn aside” to pay attention to God? Is that something you need to do right now?
